Open Brainstorming

Visualisierungen begegnen uns täglich und helfen uns, Informationen auf einen Blick zu verstehen. Denk an deine Umgebung – ob Stadtpläne, Fahrpläne, Wetterkarten oder dein Lieblings-Workout-Tracker – Visualisierungen sind überall.

Wo könntest du dir noch vorstellen, dass Visualisierungen deinen Alltag unterstützen könnten?

**4 Color pens
1 Ruler
Sketching paper**

Draw a map of the world from memory

Where have you been so far?

Where did you like it?

Where were you for how long in days?

Where do you want to go in the future?

How many people were you travelling with?

Class

Superdot Studio / Modular Information Design

Material

Grid A5 paper / 4x color pens / ruler

Task

Draw a map of the world from memory and fill in the whole page

Questions

**Where have you been so far?
Where did you like it?
Where were you for how long in days?
Where do you want to go in the future?
How many people were you travelling with?**

Assignment 31.10.2024
